THIS SEPTEMBER CYCLE, RUN OR WALK TO RAISE AWARENESS AND FUNDS FOR BELOW THE BELT CANCER RESEARCH

We invite you in September to ride #YourWay, walk #YourWay or run #YourWay as many km's as you can in our inaugural Below the Belt #YourWay Challenge.

What's your way? You can do it at home, at the office, or in the great outdoors. Whatever you choose we are doing this to raise awareness and much needed funds for below the belt cancer research.

Do it as a team, with your family, with work colleagues, with a friend or alone. Do it every day or some days in September. It's #YourWay. Open to all in Australia and New Zealand.

Do it #YourWay and help us raise \$100,000 for below the belt (bladder, kidney, penile, prostate and testicular) cancer research.

Improve your fitness, raise awareness and help us fund future clinical trials for below the belt cancers.
