THIS MAY #MOVEYOURWAY AND RAISE FUNDS FOR BELOW THE BELT CANCER RESEARCH

We invite you in May to #MoveYourWay, anywhere, anytime and anyway as part of our 2021 Below the Belt #YourWay Challenge.

Choose how you move, your distance or time goal, all while raising funds to help improve the lives of those affected by below the belt (prostate, testicular, bladder, kidney and penile) cancers.

At ANZUP, we conduct clinical trials and research for below the belt cancers. With your help we can continue to improve outcomes for patients today and future generations.

Improve your fitness, raise awareness and help us fund future clinical trials
